

2021 TIRE AMNESTY PROGRAM

The GCIA/Office of Recycling, in cooperation with the Gloucester County Board of Commissioners, is pleased to announce that we will conduct another Tire Amnesty Program in 2021. The GCIA/Office of Recycling has designated the month of March 2021 as “Tire Amnesty Month” for the acceptance of used car tires from County residents and municipalities. We will also conduct a special event on Saturday, March 20th.

The protocols for the 2021 Tire Amnesty Program: County residents may still dispose of up to 10-passenger car and passenger pick-up tires at no cost. However due to budget cuts, no tires over standard passenger pick-up truck tire will be accepted from anyone this year. **The tire type and limit of 10 will be strictly enforced.** Residents may bring their used tires to the Gloucester County Solid Waste Complex at 493 Monroeville Rd. (Route 694) in South Harrison Township, March 1st – March 31st, Monday – Friday 8:30 am – 3:00 pm. The Saturday, March 20th event will be held rain-or-shine and will run from 8:00 am - 12:00 noon. **This program is for Gloucester County residents ONLY and no commercial businesses will be accepted!**

In addition, County residents with more than 10 tires will be directed to our website www.gcianj.com for the NJDEP Tire Disposal Facility Listing where they can find information on disposing their large number of tires. Due to budget limitations no more than 10 tires will be accepted per residence.

Although tires may be on or off their rims, they **MUST** be separated by type. Mixed loads will **NOT** be accepted. They will be going into different piles. In addition, **NO TRACTOR TRAILER/OVERSIZED/HEAVY EQUIPMENT TIRES WILL BE ACCEPTED THIS YEAR.** A list of certified tire disposal facilities will be available for anyone that may need a service for larger tires.

Since the Program began in 2001, we have recycled 253,496 tires.
