Subject: Scrap Tire Fees

For your information, please find below the results of the NJDEP, Bureau of Energy and Sustainability's informal telephone survey of the fees charged for the receipt of whole scrap passenger car tires at existing facilities in New Jersey and the surrounding area. The NJDEP, Bureau of Energy and Sustainability recommends that the facilities listed below be contacted for detailed cost and service information as prices may vary due to a number of factors, e.g., amount of tires, type of tires, cleanliness of tires, inclusion of rims on tires, possible fuel surcharge, etc.
